Security Corner/Fraud Awareness

Card Skimmer Locator App

Credit card skimmers are a growing problem, especially at gas stations since not all gas pumps are set up to read chipped cards.

In the past, thieves would have to sneak the skimmers on to the gas pumps and then come back later to remove them in order to collect the stolen information.

Thieves can now sit in their car close to where the skimmers are installed and grab stolen card numbers via Bluetooth.

By using the Card Skimmer Locator App, it quickly scans for any card skimmers that are transmitting using Bluetooth Low Energy (BLE).

If no devices are found, you will see a "None Found" image. If the scan detects a possible skimmer, it will display a warning sign as well as the possible name of the skimmer.

The Card Skimmer Locator App will NOT locate all Card Skimmers (including those using BLE), so please DO NOT rely on just the App, you must physically check all card readers to reduce your risk of falling victim to a Card Skimmer.

The App should only be used as an additional means of protection and should NOT be the primary means to locating Card Skimmers.

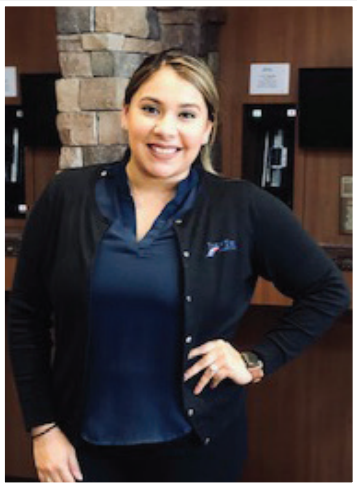
Employee Service Announcement

Congratulations to Daisy Vazquez! April 21st marked 5 years of service and commitment with InvesTex Credit Union. Daisy originally joined the InvesTex team as a Teller at the Aldine branch and was quickly promoted to a Member Service Representative. Daisy has since worked at several of our branches, but currently works at our 1960 location assisting members with their financial needs.



In her personal time Daisy enjoys dancing, shopping and getting manis/pedis. Daisy also loves pizza and spending time with family and friends, but lists her all-time favorite thing as being a new mom to her precious baby girl!

Thank you Daisy for your dedication and commitment to serving the members and staff of InvesTex. We are proud you are on our TEAM!

Members Matter

"I could not have asked for a more pain-free and wonderful experience from the InvesTex Credit Union Corporate Team! I had been given a certain auto loan percentage from another Credit Union that prided themselves on being the "lowest rates in Houston" BUT the InvesTex team swooped in, gave me an even better auto loan percentage rate, and walked through various financing situations to ensure I was getting the absolute BEST possible rate! The InvesTex Credit Union Corporate team are Superheroes and I am very appreciative for their help!!"
