Our Mission & Vision

Vision Statement

InvesTex Credit Union will develop lasting relationships that promote our members' quality of life and financial well-being.

Mission Statement

InvesTex Credit Union is dedicated to the highest quality service for its members, while maintaining a solid financial foundation. Our core values reflect the strong character of our members and our growing relationship with them.

Member Owned- Member Proud: The Credit Union Difference

When you open an account at a Credit Union, you're not just getting an account; you are purchasing a "share" of the Credit Union and becoming an owner, and at InvesTex Credit Union, the minimum opening deposit is only \$5.00. Unlike banks, credit unions are not-for-profit and exist only to serve our members. That's why you'll see that we offer higher rates on savings and investments and lower rates on loans. At a bank, you are just a customer with an account number. At a Credit Union, you are an owner with a member number.

Once you are a member of InvesTex Credit Union, you remain a member for life; even if you change jobs or move away. You can always take advantage of the benefits and services offered at InvesTex. Your family is also eligible to join. This includes your spouse, children, grandchildren, brothers, sisters, parents and grandparents. InvesTex is both a community & family financial partner!

Who Can Join InvesTex Credit Union?

We welcome you to join the InvesTex family! InvesTex is a full-service credit union providing financial services in the North Houston area since 1952. We also serve the employees, family members, alumni and students of the Lone Star College System. Making Life Better: Member Conveniences

Let InvesTex simplify your life with some convenient services to make managing your money easy and efficient.

Direct Deposit

With Direct Deposit, your paycheck or other recurring checks are automatically deposited into the account you designate; even if you are away on vacation! No more lines and no more worries that your check may be lost in the mail. Speak with your employer to find out if direct deposit is offered through your company.

Payroll Deduction

Make saving painless and easy. With payroll deduction, a portion of your payroll check can be deposited into your account or be applied towards a loan payment. InvesTex accepts payroll deductions from all school districts and businesses within our field of membership, and deposits and payments are noted on your account statement.

Deposit Drop Box

For your convenience after hours, we have a deposit drop box located at each branch location. Deposits will be posted to your account the following business day if received after hours. For your security, please don't deposit cash in the night drop.

Credit Union Official Checks

When a personal check isn't accepted, try a Credit Union Official Check. Credit Union Official Checks are purchased with guaranteed funds; lowering the risk to the merchant. The funds for a Credit Union Official Check are withdrawn directly from your account, and you can choose to reference the transaction on your account. Credit Union Official Checks can be purchased through any member service representative.

Overdraft Protection

Overdraft Protection is offered on all InvesTex checking accounts. InvesTex offers three programs: Account Transfer, Ready Credit Transfer, and Courtesy Pay Privileges.

With the Account Transfer Program, transfers of available funds are made to your checking account from the account you have designated to pay an item presented on insufficient funds. Transfers are made to cover the item and a small service fee per occurrence applies.

For qualified members, you may opt to have your Overdraft Protection withdrawn from your approved Ready Credit (Line of Credit).

The final Overdraft Protection Program is the Courtesy Pay Program in which you are given the privilege to overdraw your checking account and InvesTex may pay the debiting item up to a predetermined limit for a per item fee. We provide this only when you choose to opt-in.

Appropriate opt-in forms are available in our lobbies. Overdraft Protection through the Courtesy Pay Program is a "Privilege" and not a "Right" and can be removed at the discretion of the credit union.

Wires

InvesTex Credit Union accepts incoming wires for our members at no cost to you. You can place outgoing wires to anywhere in the country or around the world for a small fee.
